

This is in regard to LPFM taking priority over current FM translator service which would affect K-LOVE radio which I listen to. I have been listening to the station for over 13 years now. I used to listen to it when I lived in the San Francisco Bay Area and now I listen to it in the Sacramento area. It offers programming that I cannot find elsewhere on the radio frequencies. Though there are other Christian radio stations, they do not offer the same music and ministries that K-LOVE provides. I know there are others in the community that feel the same way. K-LOVE has provided opportunities for people in the community to work together to reach out to those who are in spiritual and physical need of help. Please consider the impact that your rulings will have on K-LOVE which serves many people. Our community would be much poorer if their presence was taken away. Thanks for the opportunity to share my concerns.
